LOCAL VACCINATION CLINIC INFORMATION (LOCATION, DATES, HOURS)

Florida Department of Health in Volusia County

For more information or to make an appointment, please contact
386-274-0509 ~ Option 1

A yearly flu vaccine is recommended for everyone 6 months and older.

Vaccination is especially important for protecting those at high risk for serious flu complications, including:

- young children
- pregnant women
- adults 65 years and older
- anyone with chronic health conditions like asthma, diabetes, and heart disease.

Get your flu vaccine.
It's safe and your best protection against the flu.
