Please join us “for Peace of Mind” an educational presentation that has been developed for groups of women within the community to increase knowledge about:

- Cervical Cancer
- Breast Cancer
- Human Papillomavirus (HPV)

If you are a woman between 50 and 64, without medical insurance which includes Medicare or Medicaid, and have limited income, you may be eligible for a FREE Pap smear, clinical breast exam and mammogram. Participants will receive information and assistance in locating breast and cervical cancer screening locations in your county. You may ask questions, and will receive great takeaway information and items for participating. We can also assist with referrals for women outside of our qualification guidelines.

PLEASE JOIN US AND TELL OR BRING A FRIEND
