

Loving  support
makes breastfeeding work

Florida Department of Health in Volusia County WIC Breastfeeding Program

Contact Information

Program Coordinator:
Pat 386.316.1499

East Volusia:
Chrissy 386.214.4262

Welcome to WIC, and congratulations on your new pregnancy! Have you thought about breastfeeding yet? Research has proven that breast milk is best for baby's first year of life. By breastfeeding, you will provide your baby with many health benefits that last forever!

WIC offers breastfeeding education and support through peer counselors and certified lactation professionals- for free!

USDA is an equal opportunity
provider and employer
