

Loving  support  
makes breastfeeding work

## Florida Department of Health in Volusia County WIC Breastfeeding Program

### Contact Information

**Program Coordinator:**

**Pat 386.316.1499**

**West Volusia Area**

**Kari or Anna**

**386.871.3251**

Welcome to WIC, and congratulations on your new pregnancy! Have you thought about breastfeeding yet? Research has proven that breast milk is best for baby's first year of life. By breastfeeding, you will provide your baby with many health benefits that last forever!

WIC offers breastfeeding education and support through peer counselors and certified lactation professionals- for free!

USDA is an equal opportunity  
provider and employer
