West Volusia Area

Kari or Anna

386.871.3251

Welcome to WIC, and congratulations on your new pregnancy! Have you thought about breastfeeding yet? Research has proven that breast milk is best for baby's first year of life. By breastfeeding, you will provide your baby with many health benefits that last forever!

WIC offers breastfeeding education and support through peer counselors and certified lactation professionals- for free!

USDA is an equal opportunity
provider and employer
