RE: Meeting #3 Scheduled for Wednesday, April 22, 2015 @ 6pm  
Information for Homeowners and Occupants of Dover Lane Subdivision

**WEDNESDAY, April 22 2015 at 6 PM**  
Thomas C. Kelly Administration Center,  
Training Room 1 (First Floor)  
123 West Indiana Avenue, Deland

If you are unable to attend the meeting, please log on to <http://volusia.floridahealth.gov/programs-and-services/environmental-health/local-investigations/index.html> and click on "Dover Lane PWS", or you may call the health department at: (386) 736-5436.

#### INFORMATION FOR HOMEOWNERS AND OCCUPANTS:

The Dover Lane Subdivision Public Water System will NOT be re-permitted as a community public water system. All who are connected to, and receive water from that source will need to obtain another approved drinking water source as discussed at the two previous meetings.

**The purpose of this meeting is to discuss the process for obtaining community development block grant or forming a Special Taxing District to pay for the provision of City of DeLand municipal water to your property.**

**At this meeting, representatives of Volusia County government and the City of DeLand will be providing you with information about these processes and the associated cost to each property owner.**
