RE: Meeting #2 Scheduled for Wednesday, February 18, 2015 @ 6pm
Information for Homeowners and Occupants of Dover Lane Subdivision

Please join the Health Department personnel for meeting #2 to discuss changes you will need to make to obtain drinking water:

WEDNESDAY, FEBRUARY 18, 2015 at 6 PM

Thomas C. Kelly Administration Center,
Training Room 1 (First Floor)
123 West Indiana Avenue, Deland

If you are unable to attend the meeting, please log on to <http://volusia.floridahealth.gov/programs-and-services/environmental-health/local-investigations/index.html> and click on "Dover Lane PWS", or you may call the health department at: (386) 736-5436.

INFORMATION FOR HOMEOWNERS AND OCCUPANTS:

The Dover Lane Subdivision Public Water System will NOT be re-permitted as a drinking water provider. All who are connected to, and receive water from that source will need to obtain another approved drinking water source.

All those who are using permitted *irrigation* wells and any non-permitted well water source must have their wells inspected by the Health Department and must apply for a potable water well permit. Variances, if applicable, will be discussed with you. You are urged to voluntarily upgrade your well to a private potable well.

Addresses believed connected to, and receiving water from Dover Lane PWS (Grasso): 2499 N. Woodland, 109, 110, 113, 114, 117, 118, 121, 126, 130, 146, 149, 150, 153, 154, 157, 161, 166, 169, 170, 173, 178, 185 Dover Lane.

Addresses with known permitted irrigation (non-potable) wells: 105, 133, 134 174 Dover Lane.

Addresses with no known source of drinking (potable) water and presumed to be using non-permitted wells: 105, 106, 122, 125, 129, 133, 134, 137, 138, 141, 142, 145, 158, 162, 165, 174, 177, 181, 182, 186, 189 Dover Lane.
