

Anti-Tobacco Education Class Classroom Rules

1. NO USE or Possession of TOBACCO products while on the Florida Department of Health Volusia County or Bethune-Cookman University premises.
2. NO USE of cell phones during class
3. NO sleeping
4. NO profanity
5. NO talking to peers, unless interacting in a group activity/discussion.
6. Breaks are at the discretion of facilitator. (If you do not come back on time you WILL NOT be permitted back into the class and will not complete the Anti-Tobacco Education Class.)
7. If students leave the class facility grounds before they are picked up, they are no longer our responsibility. All students should remain on site until they are picked up by parent/guardian.
8. All students must be picked up no later than 6:45 PM. Facility staff will not be held responsible for students left on the premises after 6:45 PM.

Please bring a copy of this signed form with you to the class; students will not be permitted into class without signatures.

Parent/Guardian Signature _____

Student Signature _____

Date: _____

By signing the above rules, I have read and understand that violation of these rules is grounds for being dismissed from the class with an incomplete and no refund of monies paid will be given.

Thank you for registering. To satisfy part of the citation, this one time 2-hour Anti-Tobacco Citation Education class is required. Some information you should know upon arriving is:

- **The class cost is FREE** (However, if a citation has been issued, there will be a \$30 court fine that is payable to the Clerk of the Court).
- **The class rules sheet must be signed** by a parent/guardian AND the student prior to student taking this class.
- Students need to be picked up by 6:45pm (there will not be any supervision for students after that time).
- If a student does not follow the class rules they will be asked to leave the class and they will not receive a certificate. This failure to complete the class will require them to retake the class.

Tobacco by the numbers:

- 88 smokers and non-smokers die each day in the state of Florida alone from tobacco use/exposure.
- \$930 Million- Amount Big Tobacco spends on marketing each year in Florida alone, more than any other state.
- 1,153,000 kids alive now will become smokers in Florida.
- 90% of youth who smoke start smoking before the age 18.

Florida Quitline:

- Florida Quitline is a **FREE** service that provides telephone counseling, online support, and on-site classes, in addition to patches, gum, and lozenges to help you quit smoking.
- The 24hr counseling number is **877-U-CAN-NOW** (must be 18 to call).
