Daytona Beach, Fla. — The Florida Department of Health will host the 3D mobile mammography bus, Mammolink, to provide free or low-cost mammograms to women in the community from 8:30 a.m. to 3 p.m., June 19, at the Florida Department of Health located at 1845 Holsonback Dr., Daytona Beach.

To be eligible for a free mammogram screening, you must meet each of the four below criteria:

1. Be a women age 40-64.
2. Have a household income, less than or equal to 200% of the poverty level.
3. Have no health insurance to cover the cost of a clinical breast exam, mammogram, or Pap smear.
4. Have primary residency in Florida

To see if you qualify for these screenings, call 1-386-663-6852.

Florida Breast and Cervical Cancer Early Detection Program

The Florida Department of Health provides access to free or low-cost breast cancer screenings statewide to women who are uninsured or underinsured, have a low income, and meet the program eligibility requirements. Learn more about the [signs and symptoms of breast cancer](#) and the benefits of early detection.
