Volusia County Road Improvements and Capacity Community Meetings

VOLUSIA COUNTY, FLORIDA – Volusia County is hosting public meetings this month to generate community feedback on the proposed Road Priority List. One meeting will be held in each of the four impact fee zones to give residents the opportunity to comment and provide input into upcoming transportation and safety improvements.

Proposed capacity projects include widening roads, improving intersections, building new roads, and extending existing roads. Potential safety projects include adding paved shoulders, widening narrow lanes, and installing turn lanes. The information and presentations will be identical at all four meetings.

The meetings are scheduled from 6 to 7 p.m. on the following dates and locations:

- Thursday, Aug. 22, at the Brannon Center, 105 S. Riverside Drive, New Smyrna Beach
- Monday, Aug. 26, at the Deltona Regional Library, 2150 Eustace Ave.
- Wednesday, Aug. 28, at the Ormond Beach Regional Library, 30 S. Beach St.
- Thursday, Aug. 29, at the Thomas C. Kelly Administration Center, 123 W. Indiana Ave., DeLand

The collected public feedback and the Road Priority List will be presented to the Volusia County Council at a future meeting. The Aug. 29 meeting will be livestreamed at www.volusia.org for those unable to attend in person. Following the final meeting, the recording, presentation materials, and priority project list will be published on the County’s website, providing additional opportunities for residents to review and submit feedback.
