**Florida Department of Health
in Volusia County presents**

**Protecting our community:
Florida's strategy to end new HIV infections.**

April 26

Two sessions: 9 - 11 a.m. and 2 - 4 p.m.*

Florida Department of Health
1845 Holsonback Dr., Daytona Beach
Conference room 516-A

Jeffrey Beal, M.D., A.A.H.I.V.S. Medical Director,
Florida Department of Health, HIV/AIDS Section

Dr. Beal will discuss the Florida Department of Health's Four Key Components to prevent new HIV infections.

- **Test and treat/linkage to care**
- **PrEP and nPEP**
- **Routine HIV and STI screenings**
- **Community outreach and messaging**

Following the presentation, community partners will discuss opportunities to prevent new HIV infections in Volusia and surrounding counties.

RSVPs not required.

**For more information, please call 386-274-0585.
volusiahealth.com**

*The same content will be shared at both presentations.
